

Spacing and indentation

[single] Operations reported that support response times improved after the new triage process went live. The median first reply is now under forty minutes, and the backlog of open tickets has fallen by almost a third since the start of the year. Looking ahead, the priorities are unchanged: reduce churn among small accounts, expand the partner programme and finish the migration of the remaining legacy services before the end of the financial year.

[1.5 lines] Operations reported that support response times improved after the new triage process went live. The median first reply is now under forty minutes, and the backlog of open tickets has fallen by almost a third since the start of the year. Looking ahead, the priorities are unchanged: reduce churn among small accounts, expand the partner programme and finish the migration of the remaining legacy services before the end of the financial year.

[double] Operations reported that support response times improved after the new triage process went live. The median first reply is now under forty minutes, and the backlog of open tickets has fallen by almost a third since the start of the year. Looking ahead, the priorities are unchanged: reduce churn among small accounts, expand the partner programme and finish the migration of the remaining legacy services before the end of the financial year.

[exactly 20pt] Operations reported that support response times improved after the new triage process went live. The median first reply is now under forty minutes, and the backlog of open tickets has fallen by almost a third since the start of the year. Looking ahead, the priorities are unchanged: reduce churn among small accounts, expand the partner programme and finish the migration of the remaining legacy services before the end of the financial year.

[at least 24pt] Operations reported that support response times improved after the new triage process went live. The median first reply is now under forty minutes, and the backlog of open tickets has fallen by almost a third since the start of the year. Looking ahead, the priorities are unchanged: reduce churn among small accounts, expand the partner programme and finish the migration of the remaining legacy services before the end of the financial year.
