EXPERIENCE

Senior Product Manager, Northwind

2021 - present

- Led the redesign of the onboarding flow, cutting time-to-value by 35%.
- Managed a roadmap of twelve initiatives across four squads.

Product Manager, Contoso

2017 - 2021

- Launched the partner programme, generating 18% of new revenue in year one.

EDUCATION

BSc Computer Science, University of Somewhere, 2016

SKILLS

The quarterly review covered revenue, staffing and the product roadmap. Revenue grew steadily across all three regions, although the northern region trailed expectations because two large renewals slipped into the following quarter. Looking ahead, the priorities are unchanged: reduce churn among small accounts, expand the partner programme and finish the migration of the remaining legacy services before the end of the financial year.

Spacing and indentation

[single] Operations reported that support response times improved after the new triage process went live. The median first reply is now under forty minutes, and the backlog of open tickets has fallen by almost a third since the start of the year. Looking ahead, the priorities are unchanged: reduce churn among small accounts, expand the partner programme and finish the migration of the remaining legacy services before the end of the financial year.

[1.5 lines] Operations reported that support response times improved after the new triage process went live. The median first reply is now under forty minutes, and the backlog of open tickets has fallen by almost a third since the start of the year. Looking ahead, the priorities are unchanged: reduce churn among small accounts, expand the partner programme and finish the migration of the remaining legacy services before the end of the financial year.

[double] Operations reported that support response times improved after the new triage process went live. The median first reply is now under forty minutes, and the backlog of open tickets has fallen by almost a third since the start of the year. Looking ahead, the priorities are unchanged: reduce churn among small accounts, expand the partner programme and finish the migration of the remaining legacy services before the end of the financial year.

[exactly 20pt] Operations reported that support response times improved after the new triage process went live. The median first reply is now under forty minutes, and the backlog of open tickets has fallen by almost a third since the start of the year. Looking ahead, the priorities are unchanged: reduce churn among small accounts, expand the partner programme and finish the migration of the remaining legacy services before the end of the financial year.

[at least 24pt] Operations reported that support response times improved after the new triage process went live. The median first reply is now under forty minutes, and the backlog of open tickets has fallen by almost a third since the start of the year. Looking ahead, the priorities are unchanged: reduce churn among small accounts, expand the partner programme and finish the migration of the remaining legacy services before the end of the financial year.
